

THE MARVEL CINEMATIC UNIVERSE

The Definitive Release-Order Viewing Checklist

A maximalist, continuity-aware guide from Media Mole

C	Core MCU - primary Marvel Studios continuity
L	Legacy - MCU-connected Marvel Television
M	Multiverse - alternate reality or continuity
B	Bonus - One-Shots and optional shorts

HOW TO USE THIS CHECKLIST

Tick each box as you watch. Entries are ordered by original release date, not story chronology. A television season is positioned by its first episode or premiere; films use their original US theatrical date. Classification describes continuity, not quality or necessity.

SCOPE

Includes every MCU feature film through 7 September 2026; the MCU-connected Marvel Television seasons named in the brief; Marvel Studios/Disney+ live action by season; Special Presentations; Marvel One-Shots; selected Marvel Studios animation; and the Team Thor family of shorts. Behind-the-scenes, recap, documentary and unrelated pre-MCU Marvel productions are excluded.

102 released entries | 8 announced entries | Verified 8 September 2026

108	☐	Date TBA	Blade Feature film	C
109	☐	Date TBA	Daredevil: Born Again - Season 3 TV season	C
110	☐	Date TBA	Wonder Man - Season 2 TV season	C

EDITORIAL NOTES

Legacy does not mean erased. The pre-Disney+ shows were made as MCU-connected Marvel Television stories, but their present-day canonical relationship is not uniform. This guide keeps them visible while avoiding the claim that every event binds the core continuity.

Multiverse is still Marvel Studios. Titles such as What If...?, X-Men '97, Marvel Zombies, Deadpool & Wolverine and The Fantastic Four: First Steps matter to the wider screen multiverse, but are not set wholly in the primary MCU reality.

Bonus entries are intentionally optional. The One-Shots and Team Thor-style comedy shorts reward completists without being presented as required chapters of the main saga.

SOURCES & DATE NOTE

Current-slate dates were checked against Marvel's official Movies and TV catalogues and dated Marvel/Disney announcements. Historical dates were cross-checked against official title pages and established release records. Because release plans change, recheck all future dates before viewing or printing a later edition.
